Commitment to

Safeguarding Children and Young People

It is everyone within our netball community's responsibility to ensure the safety and wellbeing of all children and young people in our care.

We are committed to protecting the rights of children and working to prevent abuse from occurring by promoting and fostering a culture where children and young people feel safe and empowered to speak up.

Cultural safety of First Nations children, children with a disability and children from culturally and/or linguistically diverse background will be promoted and fostered.
